

Straight Up

Call For Proposals:

Artists and Artist-led teams are invited to submit proposals for the Art Center's exhibition series, *Straight Up*. This series is designed to showcase young emerging artists, working in 2D mediums. Exhibitions are hosted at Alley Bar each month with an opening party the first night that typically falls on the third Monday of the month.

This exhibition series is designed to showcase emerging regional talent and provide professional development opportunities to young emerging artists. Exhibiting artists will work in collaboration with the Art Center's Gallery team to successfully execute the project from start to finish.

Submission Requirements:

- Brief artist bio and artist/process statement. Saved as **YourName_FileName.pdf**
- **3-5** images of artwork representative of the body of work for exhibition. Saved as **YourName_WorkTitle.jpg**. Please include an image list with details regarding dimensions, mediums, and year.
- Links to website and/or social media pages

Eligibility:

- Open to artists (**21+**) currently living and working in SE Michigan
- All artwork must be for sale. The commission is 70% to the artist. We advise artists to price their work to encourage cash and carry sales throughout the run of the exhibition.
- Due to space restrictions, artwork submissions are limited to 2D media (painting, drawing, printmaking, graphic design, etc.) and individual artworks must not exceed 48"x48"x3"
- Artworks must have been created within the past three years

Proposals are accepted on a rolling basis and reviewed as they are received by the Art Center Gallery team. Invitations will be extended to artists based on their application and the suitability of the artwork for the venue. Please note that submission does not guarantee artwork acceptance and incomplete proposals will not be considered.
