

ONLINE: Experiments and Expressions in Watercolor Materials List

- Watercolor paper (a [pad works](#) fine or a larger piece cut into 5-7 9x12" pieces)
- Watercolor paints (can use [pan sets](#) or tubes) Don't feel like you have to buy brand new, just make sure you have a few colors to play with. Ideally some warm and cool colors.
- Palette if using tubes (can also use ceramic plate, plexi, wax paper)
- Variety of brushes, thin to thick, pointed, flat (just enough to give yourself some options)
- Table salt
- Container for water
- Water
- Blue painter tape (masking tape can work too although it is more tacky)
