**Aaron Hillebrand**

(Ann Arbor, MI)

***Dirtbags and Champagne***

**October 21 – November 30, 2019**

**ARTIST BIO:**

Aaron Hillebrand has been creating fantastic, energetic, expressive art for twenty years. Aaron has some fancy art degrees and has created an incredibly diverse body of work. From abstract Painting to photographic narrative Aaron's work is full of energetic color that creates an atmosphere of joy. Sometimes there may be a skull or two in or a little darkness but for the most part very little angst, mostly color, beauty, and hope.
